Summary

I have 3+ years of hands-on experience Efficiently on coding websites and applications using modern HTML, CSS, and JavaScript. Building state of the art, easy to use, user-friendly websites and applications is truly a passion of mine. In addition to my knowledge base, I actively seek out new technologies and stay up-to-date on industry trends and advancements. This has allowed me to stay ahead of the curve and deliver exceptional work to all of my employers, including those I've worked for on a project basis.
